PROFILE

Experienced and passionate business analyst with over eight years of experience evaluating and improving business systems for well known organizations. Dedicated team leader with the ability to effectively manage and achieve project goals, leveraging my complex understanding of systems engineering concepts. Proven track record of effectively researching and analyzing business processes, and procedures and designing and implementing business solutions.

WORK EXPERIENCE

Business Analyst — *Columbia University, New York* 10/2017 - 08/2021

- Managed 10-person team of business process consultants.
- Redesigned and implemented user documentation for system training within the university.
- Lead process-improvement focus groups as part of the university initiative to achieve functional design within its user systems.
- Guided efforts to improve technology systems in a real and cost effective way.
- Worked tirelessly to improve the university's overall performance by assessing billing, workflow, and customer relationship management and productivity.

Business Analyst — *Citigroup, Dallas* 09/2014 - 09/2017

- Lead and conducted in-depth analysis of business performance versus business goals.
- Managed the reporting of business intelligence efforts and all relations to Citi Private Bank's Global Managed Investments (GMI) group.
- Oversaw design, regulation, and daily management of principal projects.
- Managed and supported business risk and worked to develop and implement strategic solutions.
- Reported all necessary information to the Chief Operating Officer for Citi Private Bank's Global Managed Investments (GMI) group, and worked closely with her to achieve and maintain goals.

EDUCATION
